

The bibliography below lists those publications of COST Action CA-18204 that directly stemmed from the fulfillment of MoU requirements. The publications came to light under a strict adherence to international academic standards after meticulous peer review processes. All publications are publicly available open access either through COST funding or through open access outlets and publication forums. The listing contains publications brought out by the following journals and publishers:

*Urban Planning* vol. 9, 2024  
*Journal of Urbanism* vol. 17, 2024  
*Placemaking Trilogy* Brill 2023-2024.  
*The Responsibility of Science*, Springer, 2022  
*Public recreation and landscape protection – with environment hand in hand!* Brno, 2024
